ROYAL FAMILY FUN FACTS

At christenings, they eat
7 year old cake.

They are not allowed to
play Monopoly (it gets
too vicious!)

The Queen uses her
purse to send secret
signals.

The Queen doesn't need
a driver's licence.

Prince Harry's real name
is Henry.

The Queen owns
racehorses and has won
over 1600 races!

TERM 4 WEEK 3 2018

Senior School Camp 2018

Lovely to see everyone returned safely on Friday night after an exhausting three days at camp. Sounds like everyone had a great time, participated in some fantastic activities and made new friends. As always, it takes an enormous amount of work to organise camp so a big thank you to Mrs Dwyer and Mr Neal who coordinated everything. Of course, camp couldn't go ahead without the staff who generously give up their time and leave their families behind to attend. Thank you Carenne Staff, you're awesome!

As you might be aware we had a significant donation of \$15,000 from the Commonwealth Carer Respite Centre run by LiveBetter. Without this donation, we would not have been able to make camp a reality for many students. Once again I am humbled by the wonderful support we receive from our community.

Graduation

Not long now before we farewell our Year 12 students. It has been a real privilege to get to know Isobel, Michael, Gabriel, Cody, Will, Aaron and Mitchell over the last few years. They have brought such spirit and laughter to Carenne and the place will definitely be quiet without them here. If you would like to join us at the Year 12 Graduation on Thursday 15th November, please get in touch with the office to purchase your tickets which are \$15 per person.

2019

It is around this time of year that we start to welcome our new students and families to Carenne. We anticipate 11 new students starting in 2019, many of whom will visit us in the next few weeks. As always, I know the Carenne community will welcome our new families.

Presentation Day & End of year

Our Presentation Day is slightly earlier this year, on Friday 7th December at Bathurst Memorial Entertainment Centre. Students will still be expected to attend school until their last day on Wednesday 19th December. Reports and 2019 classes will be sent home on Thursday 13th December.

Have a great week, *Jane*

We acknowledge Aboriginal and Torres Strait Islander peoples as the traditional custodians of our lands, Australia. We acknowledge the Wiradjuri nation as the traditional custodians of these lands we now call Bathurst, and we pay our respects to their Elders both past and present.

Canteen Crew head to Sydney Markets

On the last 2 days of Term 3, the Work Experience Canteen Crew were fortunate enough to go on an excursion to the Sydney Fruit Markets, at Homebush.

On our travels we had morning tea in the park at the Three Sisters in Katoomba then headed to our accommodation at Parramatta.

On Friday we got up at 4:30am to head to the Sydney Markets, and were shown around by Shirlene from the Markets Authority.

Shirlene took us to the huge wholesale fruit and vegetable shed where they were selling a vast array of different fruit and vegetables that had only just come to the markets that morning, from the growers all over the Eastern Seaboard.

We saw many forklifts, trolleys, burrows and bikes all carrying fruit and vegetables to the near- by trucks bound for the shops and even to Bathurst!

Next stop was a banana wholesaler shed and they explained to us all about bananas and how they get sold onto shops and people.

We had morning tea at their local food restaurant and then had an informative talk to the Food Bank Organisation staff about recycling unwanted or unsold fruit and vegetable to charities.

After thanking the Sydney Markets Authority we visited the Fire Museum at Penrith to have a look at all the fire trucks and equipment that has been used in NSW over the past 100 Years.

Upon arrival back home to Bathurst the students gave their parents some fruit and vegetables that the wholesalers had given to us.

The Canteen Crew would like to thank the Sydney Markets Authority for all their financial support and the fantastic tour they gave us, it really helped explain how healthy food is marketed and how it eventually gets to our local s{"Attachments":

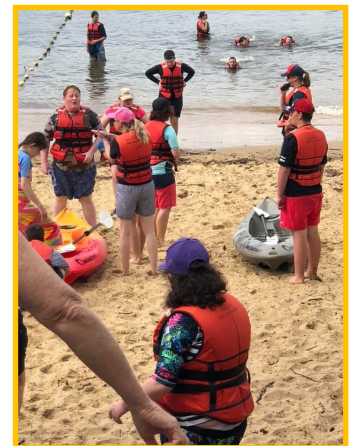

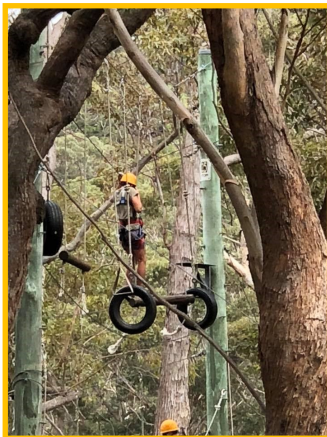

Introducing Mrs Tania Pringle to the Macquarie Tutorial Centre

I am excited to have joined the Macquarie Tutorial Centre this term. I have been a PDHPE teacher at Oberon High School for the past 15 years. I thoroughly enjoy trail running, swimming and touch football.

I am very passionate about my subject area and continually encourage all students to become the best version of themselves. I have been involved in many wellbeing programs over the years including Aspire, Rock and Water and Positive Behaviour for Learning. Each of these programs has enabled me to inspire students to grow and learn while continually increasing their self-esteem and self-awareness.

Scarecrows and Succulents are the focus of our classroom this term. Students have begun to cultivate succulent cuttings, measuring their progress each day. We look forward to presenting the end results.

TERM 4 2018

GROUPS AND SEMINARS

Self Esteem and Communication

Self Esteem & Communication is a 7 week course. It will help you to better understand yourself and others, and to develop strategies to enhance self-esteem and confidence.

Dates: Wednesday evenings from 31st Oct to 12th Dec 2018.

Parenting after Separation

Parenting after Separation is a 6 week course for parents who are separated and want to learn more about managing ongoing relationships with former partners, whilst supporting their children. Parents attend separately from their partner.

Dates: Thursday evenings from 1st Nov to 6th Dec 2018.

Women Choice and Change

Women Choice & Change is a 4 week course. It is for women who are in, or have been in an abusive relationship. It offers women a chance to meet with others, who have similar experiences.

Dates: Thursdays from 1st Nov to 22nd Nov 2018 (*Lunch provided*)

Parenting the Anxious Child Seminar

This seminar looks at strategies parents can learn to best help settle and manage their child's anxiety. It also assists parents in gaining a better understanding of the causes of anxiety.

Dates: Wednesday evening, 24th Oct 2018.

Kids and Technology Seminar

This seminar helps parents to gain an understanding of today's technology and the impact on children.

Dates: Wednesday evening, 28th Nov 2018

Fees: \$20 per session or a donation you can afford
