TERM 4 WEEK 7 2018

Graduation 2018

We held our annual graduation ceremony on the 15th of November for our wonderful school leaders and their families. It was a fantastic night filled with many stories of celebration, achievements and memories of all our wonderful students. Everyone had a great night and we would like to make special mention of Mrs Kemp, Mrs Tattersall and Mrs Luther for all of their hard work in ensuring the night was memorable for all. We will certainly miss this dynamic group of young people who have been a very big part of our school community. Congratulations Will, Mitchell, Aaron, Cody, Isobel, Gabriel and Michael and good luck in your future endeavours.

Foodbank

The Foodbank is a non-denominational, non-profit organisation who collect surplus food from the food industry and redistributes it to other organisations and schools. This term we have been accepted into the Healthy Breakfast 4 Schools program. One in seven students go to school without having breakfast and so the Foodbank have started this program to ensure that all students can have breakfast before school each day. Once a month we will receive breakfast items for our classes, and we would like to thank the Foodbank and Terry and Kathleen for organising this.

Presentation Day

Presentation Day this year will be on the 7th of December at Bathurst Memorial Entertainment Centre. The ceremony will begin at 12:30pm and there will be the opportunity for you to take your child home with you at the conclusion of the ceremony. There will be a note coming home at the end of this week with further information for you.

Makatak

We would like to once again thank Makatak who kindly donated money to assist us with our end of year Christmas party. Makatak have been very generous supporters of our school over the years and we would like to acknowledge the fantastic work they do in the community.

We acknowledge Aboriginal and Torres Strait Islander peoples as the traditional custodians of our lands, Australia. We acknowledge the Wiradjuri nation as the traditional custodians of these lands we now call Bathurst, and we pay our respects to their Elders both past and present.

Key Word Sign

This Saturday we are holding an advanced Key Word Sign workshop at Carenne. There are still some additional places if anyone is interested. You must have completed basic Key Word Sign or Makaton to enrol in this course. The course runs for 3 hours, either 9:00am to 12:00pm or 12:30pm to 3:30pm. If you are interested in attending this course please call the school to book a place.

Rural Fire Service Cadets

Last Thursday our Carenne Cadets competed in the Rural Fire Service Cadet Championships. The students were in four different events and were tested on their knowledge and fire fighting skills. Thank you to Mr Neal and Mr Ingersole for teaching our students these valuable skills and congratulations to the Carenne team for being outstanding representatives of Carenne.

Take care Nadine

Friday 30th November 2018

(As December 1st 2018 falls on a Saturday)

A day to remember and celebrate those no longer with us

Whenever bubbles and butterflies appear,
they will remind us that our angels are near.
Let us celebrate the time that they were here,
and that way,
the joy and love they gave will never disappear.

We will celebrate this day by having a **colourful mufti day**,
and a variety of fun activities.

A gold coin donation will help maintain our memorial
garden.
